UI/UX OF AN APP

FATMORE:An app used to order smoothies of variety of fruits and their mixtures too

Customise your drinks based on your choice

Q What is My role?

I designed the entire UI/UX by myself as was appointed alone on this task

Q What did you learn while building the project?

I learnt a lot from this project before starting this I wasn't even aware of what UI/UX is exactly I have learnt a lot about Adobe XD too and am confident enough that I can now create UI/UX if ever asked or given the opportunity

Q Did you take any courses ?

I did , I took a course on udemy called User Experience Design Essentials - Adobe XD UI UX Design
